

## PRESS RELEASE

### Expanded Service and Coverage in the NW Arkansas and Springdale Area

Belt Power LLC is pleased to announce that we have expanded our skilled sales force into NW Arkansas – Springdale area. Our new location is in Rogers, AR. Our intent is to expand our personal expert service into Arkansas and surrounding areas. This expansion is to further our vision to be recognized as the most trusted experts in conveyor components, fabrication, and services nationwide. Belt Power's mission is to provide total customer care with our world-class 24-hour service, custom conveyor solutions, and expertise of our team members. Our goal is to become a partner in our customers' businesses.
