

Hose & Fittings Solutions

✓ Belt & application expertise

✓ Local inventory, national scale

✓ Broad access to leading manufacturers

✓ 24/7 field support

Food Grade Hose Assemblies

Food-grade hose assemblies engineered for sanitary handling, flexibility, and durability across demanding food and beverage applications.

Industrial and Hydraulic Hose

Industrial and hydraulic hose assemblies with precision-matched fittings designed for demanding fluid transfer and high-pressure applications.

Custom Fabrication and Service

Belt Power's hose and fittings experts provide tailored hose fabrication and full industrial and hydraulic hose assembly services.

Fittings

Precision-matched couplings designed for secure, leak-free connections, ensuring dependable transitions between hoses and pressure sources in challenging fluid power environments.

Production reliability for conveyor dependent operations.

Downtime is not an option.

Product Offering

Application Expertise and selection guided by industry specialists who ensure the right-fit solution for every environment.

Hydraulic

- Hydraulic Hose
- Hydraulic Fittings
- Hydraulic Adapters
- Hydraulic QD Couplings
- Flexmaster Joints
- Hydraulic Swivel Joints
- Reusable Fittings
- Protective Coils, Sleeves & Clamps

Industrial

- Air & Multipurpose Hose
- Chemical Transfer Hose
- Steam & Water Hose
- Petroleum, Oil & Gas Hose
- Material Handling Hose
- Cam & Groove Fittings
- Shank/Water
- Quick Couplings

Food

- FDA & USDA-Compliant Hose & Tubing
- Sanitary Hose & Fittings
- Food-Grade Transfer Hose
- Beverage & Brewery Hose
- CIP / Washdown Hose
- Steam & Hot Water Hose
- Tri-Clamp Sanitary Fittings

Pharmaceutical

- Pharma-Grade Transfer Hose
- High-Purity Silicone Hose
- PTFE / Fluoropolymer Hose
- Cleanroom & USP-Rated Hose
- WFI & HPW Transfer Hose
- CIP / SIP-Compatible Hose
- Sterile Single-Use Hose Assemblies

Material Handling

- Plastic & Rubber Tubing
- Material Handling, Dust & Fume Control
- General Purpose Hose & Ducting
- Suction Transport & Material Handling Hose
- Gas & Fume Exhaust Hoses
- Flexible Metal Hose & Duct
- Ducting Clamps & Accessories

Capabilities & Services

Custom Fabrication

- Custom-length assemblies
- Crimped or clamped ends
- Application-matched hoses
- Precision-fit fittings
- Crimped and tested ends
- Labeled and tagged

Engineered Hose Solutions

- Proper hose selection
- Pressure & temperature matched
- Media-compatible materials
- Correct coupling specs
- Standardized assemblies

Field Support and service

- On-site hose assessments
- Hose mapping by zone
- Preventive inspections
- Documentation support
- Emergency replacements

Branch Coverage

📍 25+ locations ● local inventory ● 24/7 service
